Letter from the Hon. Mr.F.W. Stewart,C.I.E.,I.C.S., Collector of Bellary, Ref.C.No. 5328/33-B6 dated the 5th December 34:-

During the course of a joint verification and resurvey of Railway lands in the Bellary district by a surveyor of the Railway department it was noticed that the five blocks of the reserve Police quarters and side drain and soak pit formed encroachments in the Railway Poramboke permanent lands as noted below-

below:-

S.No. 432/4A (portion)	Acs.	1.24
431/A		0.02
Total.	Acs.	1.26

2. The encroachments pertaining to the quarters and the side drain were evidently made at the time of the construction of the buildings without knowing the correct limits of the Railway land. As regards the soak pit the District Superintendent of Police says that the locality was overgrown with prickly pear and the Railway demarcation stone was not visible at that time.

3. As the Railway authorities had no objection to surrender the portion in favour of the Police department, the lands were formally taken over by the Revenue Department on 2nd December 33 for being transferred to the Police department as desired by the Agent, M &S.M.Railway Co. who asks for thenecessary credit being afforded to the capital account of the Railway.

4. Under rule 5-II-of the Secretary of State's Land Transfer Rules the market value of the lands at the time when the Police Department occupied them, will have to be credited to the capital account of the Railway. The lands were valued at Rs.100 per acre at the time of encroachment and the total value of the lands viz. Rs.126 will have to be met from the allotment under '26 Police-Reserved - District Executive Force-District Police-Voted- Other supplies and sources- other petty supplies' in accordance with article 235 of the M.F. and Account Code Vol.I. I submit the case for orders of Government under paragraph 4 (2) of B.S.O.91 and request thatGovernment be pleased to accord formal sanction for the transfer of the lands from the Railway administration and to arrange for the sanction of the necessary allotment under '26 Police etc' to meet the market value of the lands.

5. A plan showing the portion of land surrendered is enclosed for reference and return.

II

Letter from Sir Charles B.Cunningham, Kt.,C.S.I.,Inspector-General of Police,Madras, Foc.No. 899/Acct., dated the 18th December ~~34~~ 34.

III

Letter from T.Bhaskara Rao Esq., I.C.S., Collector of Bellary, Ref.No. 5328/33 B6 dated 13th March 35:-

Board's reference B No. 7442-34-1 dated 11th December 34.

There are no records in the Revenue Divisional office, Bellary or in my office to show that the capitalised value of the abatement of land revenue was debited to the capital accounts of the Railway when the lands were transferred to the Railway administration.

2. The lands are registered in the Revenue accounts as 'Railway (poramboke) permanent (Railway A class). The Railway Administration has no objection to relinquish the portions in question and has formally handed them over to the Revenue Department on 2-12-1933.

3. Plotted sketches in duplicate in respect of the plots proposed to be transferred to the Police Department are enclosed.

Reference.-

Submitted to the Government.

2. The Board recommends that S.Nos. 432-4 A2 and 431-A2 of Bellary town,Bellary taluk,measuring 1-24 acs. and 0-02 acs respectively relinquished by the Railway Administration may be transferred to the Police Department and their market value viz.Rs. 126 may be credited to the capital accounts of the Railway. The Inspector General of Police has stated that the

amount

amount can be met from the appropriation under '26 C-Police-District Executive force- reserve- A- District Police-8-other supplies and services-Voted-- other petty supplies-(cost of land)".

3. As there are no records to show that the capitalised value of the abatement of land revenue was debited to the capital accounts of the Railway at the time of the acquisition of the lands, the Board recommends that no credit need be given to the Railway on this account.
